Newport's Success has led to Lower Property Taxes

The City tax rate for 2004 is being set at \$2.13 per \$1,000 of valuation. This represents a 17% decrease from last year's rate of \$2.57 and marks the nineteenth consecutive year that the property tax rate has been reduced.

In 1986, the City of Newport had a tax rate of \$6.49 per \$1,000 of valuation. At that time, City Officials made a conscious decision to begin an effort to reduce the tax burden placed on the City's property owners in order to stimulate commercial and economic growth and to encourage housing rehabilitation. It was believed at that time that by decreasing the property tax rates we would create an environment more conducive for business opportunities and as a result experience an increase in payroll and other business related taxes. Since that time, there has been spectacular growth

in virtually every area of the City including Riverboat Row, Riverfront Place, the Newport Aquarium and Newport on the Levee just to name a few. In addition, there have been new housing units built in Aspen Ridge and in the Cote Brillante neighborhood, as well as, an explosion of activity in housing rehabilitation, particularly in the East Row. As a result, our real estate tax rates have decreased every year since 1986 and have dropped to a rate of \$2.13 per \$1,000 in 2004, a reduction of over 67%.

The City could have increased the tax rate each year since 1986 and remained compliant with the state statute. If the City had approved the compensating rate + 4% each year, our 2004

tax rate would now be \$4.67.

The argument has been made that even though the rates have decreased each year, there is no real decrease in tax because valuations have increased by a like amount to offset the rate decreases. Such statements are simply inaccurate. A home valued at \$50,000 in 1986 was assessed \$324.50 in tax at that time. Based on the increases in valuation since 1986 that same house today would have a value of \$122,871. The City property tax on that house at today's tax rate would be only \$240.41. That is a decrease of \$84.09 or 35% on the same property. During the 1986 to 2004 time period the cost of living increased 69%. When considering that fact, the "real" tax dollar savings is \$308.

The City's General Fund is used to pay for the provision of basic public services

such as police, fire, public works, parks and recreation, and City administration. In 1986, nearly 18% of our General Fund budget was derived from real estate taxes. Now only 8% of our General Fund revenues come from real estate taxes. That means that the average property owner is getting far more for each property tax dollar paid than ever before. That is even more impressive when considering that the quality and level of services have increased dramatically since that time. To illustrate that point the annual budget for our nationally accredited Police Department is \$5.9 million and our Fire/EMS Department annual budget is \$4.0 million. Our Public Works and Parks and Recreation are allotted \$3.0 million compared to total real estate tax revenues of only \$1.2 million.

Monmouth Street

Newport's Success has led to Soaring Property Values

The City of Newport's success has led to soaring property values, which is great news for Newport property owners. All the excitement generated by such high profile projects as Newport on the Levee, Newport Aquarium and Hofbrauhaus have made Newport the hottest property in the region. A May 9, 2004 article in the Kentucky Enquirer noted the average sale price of homes in Newport rose 29.3% from 2002 to 2003 and 55% since 1999. These two statistics ranked Newport #1 in the region for the highest increase in property values.

The chances are pretty good that your property tax assessment increased this year. The County Property Valuation Administrator (PVA) is mandated by state law to assess every parcel of real estate in the County at 100% of its' fair market value. The PVA revalued all of the property in Newport as of January 1, 2004. On the whole, the real estate values in the City increased by approximately 29% this year.

City Officials are pleased that decisions made in recent years have provided economic benefits to property owners and have greatly enhanced the overall quality of life for its citizens.

Newport's Success has led to Significant Revenue Growth to Schools, County & Others

The sound economic and financial policies of the City have provided a tremendous benefit to the community, as outlined in the graph below. This graph shows the significant increase in property tax revenues that benefit schools, county, and other taxing jurisdictions.

	Tax Year <u>1996</u>	Tax Year <u>2004</u>	Percentage <u>Increase</u>
Real Property Assessment	\$ 263,596,295	\$ 543,715,161	106%
Personal Property Assessment	34,439,200	56,875,343	65%
Public Service Assessment	<u>14,416,796</u>	<u>19,048,506</u>	32%
Total Assessment	\$ 312,452,291	\$ 619,639,010	98%
Estimated Tax Revenues - Schools	\$ 3,055,783	\$ 5,459,020	79%
Estimated Tax Revenues - City	1,152,949	1,319,831	14%
Estimated Tax Revenues - County	334,324	650,621	95%
Estimated Tax Revenues - Other	<u>822,687</u>	<u>1,503,864</u>	83%
Estimated Tax Revenues - Total	\$ 5,365,743	\$ 8,933,336	66%

City Property Tax Bills

Due by October 31, 2004

City tax bills are expected to be mailed during the last week of September. These bills will include the property taxes levied by the City and by the Newport Board of Education.

The bills are payable on or before October 31 and are considered delinquent if they are postmarked after that date. If the bills are paid late, state law mandates a penalty of 10%, which is imposed immediately, and interest of 6% per year. These fees must be assessed even if you don't receive the tax bill.

October 31, 2004

The City makes every attempt to assure that the tax bills are delivered to the property owners in a timely manner. Each year, however, there are a few bills that are returned as undeliverable or that go to the wrong place due to property transfers during the year or mortgage company changes. In order to avoid the potential of being charged late fees, if you or your mortgage company do not receive a tax bill by October 10, please call the City Finance and Administration Department at 292-3660.

Solid Waste Fees

Your fee for solid waste collection will remain the same for 2004 as it was last year. The rate being charged is \$114.00 per dwelling unit and \$91.50 for dwelling units that have a home-stead exemption.

This fee includes collection twice a week and the provision of waste wheelers for every property owner. These fees will be included on your property tax bill and are due and payable on October 31.

City Tax Rates and the State Law

Chapter 132 of the Kentucky Revised Statutes imposes limits on property tax rates that can be imposed by cities, counties, schools and other taxing entities. The statutes contain terms that are often used and sometimes get confused or are misunderstood. A couple of those key terms are:

- Compensating tax rate is the rate, which when applied to the current year valuations, would yield the same amount of tax revenue that was generated by the entity in the previous year. For example, a City that had a rate of \$3.00 per \$1,000 of valuation in 2003 generated \$300,000 on a taxable value of \$100,000,000. If, in 2004, that same City had assessed property values of \$105,000,000 its' compensating tax rate would be \$2.86 per \$1,000 of valuation. That is to say that if the \$2.86 rate were applied to the \$105,000,000 valuation it would generate revenues of \$300,000, the same as the previous year. There are provisions in the statute to allow for new property added or old property demolished during the previous year to avoid penalizing a community for encouraging development. If property values are increasing in a community the compensating rate would generally be less than the rate that was used the prior year.

- Compensating tax rate + 4% is the tax rate that generates 4% greater revenues than the compensating rate. In the previous example the compensating rate + 4% would be \$2.97 per \$1,000 valuation. That rate when applied to the 2003 valuation of \$105,000,000 would produce \$312,000 or 4% more than the previous year.

The statutes permit taxing entities to set a tax rate at or below the compensating rate each year with only a vote of the governing body. If the entity wants to exceed the compensating rate it is necessary to advertise that fact and to hold a public hearing to solicit taxpayer input. After the public hearing the governing body can, if they choose, then establish a tax rate in excess of the compensating rate, again with majority approval of the governing body. If the rate that is established exceeds the compensating rate + 4% then additional publication requirements are imposed and the rate becomes subject to a recall vote.

Prepare Affair

People Working Cooperatively (PWC)

This years' annual Prepare Affair is scheduled for Saturday, November 13, 2004. This is the Fall event designed to aid low income elderly homeowners in Newport in preparing their homes for winter. In the past, City Staff has assisted many residents by cleaning and mowing yards, hauling off debris, cleaning gutters, and lowering storm windows.

To see if you qualify for assistance or if you would like to volunteer contact PWC at (513) 351-7921.

Fall Litterfest 2004

Litterfest will begin on Saturday, November 13, 2004 through Sunday, November 21, 2004.

Residents are encouraged to participate by cleaning up and disposing of trash and debris from their neighborhood or property. Dumpsters will remain available between the hours of 8:00 a.m. - 6:00 p.m. at the City of Newport's Public Works facility located at 1020 East Ninth Street. During this event, the City of Newport will at no expense to its citizens dispose of household items, trash, and debris at the Public Works Facility.

Residents who require assistance with the disposal of larger items can contact the City of Newport at (859) 292-3637.

Fire/EMS Department Celebrates 150 Years

The Newport Fire/EMS Department was established through incorporation on March 15, 1854. It was named the Washington Fire Engine and Hose Company No. 1. The Fire/EMS Department will be celebrating 150 years of outstanding service on October 24, 2004. The event will be held from Noon to 4:00 p.m. at the Newport Fire Headquarters located at 998 Monmouth Street. Activities will include live demonstrations, a chance to meet Sparky the Fire Dog, a parade, Vince and Larry the Crash

Dummies and tours of the Fire House and Equipment. Food and Drinks will also be available for those in attendance.

Join us as we celebrate 150 years of service and learn about the exciting history of the Newport Fire/EMS Department.

**For more information call
(859) 292-3615.**

2005 Comprehensive Plan Review

Every five years, the City of Newport updates the City's Comprehensive Plan. The Comprehensive Plan is a blueprint for community development and preservation for the next 20 years. The Goals and Objectives of the Comprehensive Plan will be the first part adopted by the City.

The Comprehensive Plan is comprised of several components. Some of these include demographic profiles, neighborhood profiles, land use, environmental conditions, redevelopment and revitalization and transportation.

The Comprehensive Plan process will begin in October and take approximately 6 months to complete.

The current Comprehensive Plan is available on the City's website at www.cityofnewportky.org.

If you would like to submit questions or comments regarding the Comprehensive Plan you may do so via our website at http://www.cityofnewportky.org/PDF_Files.

Oktoberfest in Newport

The First Annual Newport Oktoberfest will be held on Riverboat Row on October 1 - 3, 2004.

The Newport Oktoberfest is promised to be the most authentic Oktoberfest in the area. The event will be in the Munich Oktoberfest style of large Fest Tents sponsored by German Beer Breweries. Each tent will have food, beer, and music.

The Newport Oktoberfest is pleased to announce the participation of Hofbrauhaus Newport, the only Hofbrauhaus in America. Hofbrau will have the largest tent at the Oktoberfest featuring: Hofbrau beer, merchandise and food. Other participating restaurants include Wertheim's Gasthaus zur Linde and the Black Forest. There will also be continuous live German entertainment. For more information call (513) 684-4722.

Fire Prevention Month

Fire Prevention Month:

October is "Fire Prevention Month."

Fire Prevention Activities at
Newport on the Levee

Newport Fire/EMS Department, in recognition of Fire Prevention Week, will have Sparky the Fire Dog available for photos (children only please), thermo imaging camera demonstrations, FREE fire helmets, badges, and other fire safety material available to the public. Come see the children's poster contest.

Saturday, October 9th - 1:00 p.m. - 7:00 p.m.
Sunday, October 10th from 1:00 p.m. - 6:00 p.m.

Fire Prevention Week:

"Fire Prevention Week" runs from October 3 - 9. In the U.S., a home fire is reported to a fire department about every 85 seconds and someone is killed in a home fire every three hours. Smoke alarms are the most effective early warning devices available. Having a smoke alarm in your home cuts your chances of dying in a fire nearly in half. You should install at least one smoke alarm on each level of your home and in or near all sleeping areas. Every household should develop and practice a home fire escape plan that includes two ways out of every room and an outside meeting place.

Sale of Water System a Good Decision

The sale of the Newport Water System to the Northern Kentucky Water District (NKWD) continues to be a good decision for the City. In addition to having the proceeds of the sale to be used to leverage funds for economic development projects, housing partnerships/developments, street improvements and parks projects, it relieves the City of a huge liability. It has also provided former Newport water system customers with some rate protection.

In addition the NKWD has provided the former Newport customers with excellent service and has worked with the City on important water main replacement projects. Since last summer NKWD has been working on a rate unification plan for its entire service area. The new rates create a uniform rate structure throughout the Northern Kentucky Water District.

Water rates for customers of the former Newport water system have not increased in five years! The last water rate increase occurred on April 1, 1999.

Effective August 16, 2004, the average residential bill (user of 18,000 gallons per quarter) of a former Newport water customer is projected to increase from \$57.87 per quarter to \$78.65 per quarter. This amount is still much less than the 55% increase proposed to take effect on October 1, 2001 (\$89.68) when owned by Newport. The subsequent water rate increases recommended for the former Newport water system would most likely have put the average Newport water customer's water bill to over a \$100 a quarter at this time, if system was still owned by Newport.

A good decision pays off!

Be Sure To Vote On November 2nd

One of the greatest privileges and a basic responsibility as a citizen is to vote. On November 2nd, not only will we be electing a President, but also a U.S. Senator, U.S. Congressman, State Representative, Circuit Court Judge, Mayor, Commissioners and School Board members. These people will make important decisions that will affect our lives. Every citizen needs to express their voice in this election, but must first be registered to vote in Campbell County. The last day to register to vote in the November election is Monday, October 4, 2004.

You can register at the public library, County Clerk's office, State and Federal offices e.g.: WIC, Food Stamps etc. or you can call the County Clerk's office and have a registration card

must be returned by October 4, 2004. If you are registered to vote and will be out of the county on election day during the hours the polls are open, you can vote by absentee ballot.

There will be voting in the Clerk's Office, for absentee voters, beginning on October 4th. The County Clerk's office is located at 340 York Street (4th and York) in Newport. If you want a paper absentee ballot mailed to you or someone who cannot vote in the office, you must get an application for the ballot from the Clerk's Office. Call (859) 292-3885 to see if you qualify for either type of absentee voting, in the office voting or a mailed paper ballot.

Call the County Clerk's office if you have any questions about registering, absentee voting, or where to cast your vote (859) 292-3885.

City Hits Homerun with Renovated Facilities

The green checkered outfield, the crisp white foul lines in the infield, and the American Flag blowing in the wind set the stage for City Officials as they rededicated Newport's very own "Great American Ballpark". It is probably better known to residents as Veterans Memorial Park and Bartlett Field. Whether it was the Veterans of War raising the flag, or the Bartlett family honoring and remembering what Red Bartlett meant to baseball in Newport, both ceremonies made us all wish we were kids again.

Newport Elected Officials Mayor Tom Guidugli, Vice Mayor Jerry Peluso, Jan Kneppshield, Beth Fennell, Robbie Hall and City Manager Phil Cifardini inaugurated the new facilities with the ribbon-cutting and ceremonial first pitch. Other dignitaries in attendance were State Representative Jim Callahan and District 22 Knothole Director John Shields and Jerry Schmitz.

Newport Parks and Recreation Director Nick Rouse surprised the

crowd by officially "drafting" the Newport Elected Officials and City Manager to the first Parks and Recreation All-Star team. Players were selected based on their commitment and dedication to providing quality recreation facilities and activities to Newport residents. Although signing bonuses and big contracts were not part of the deal, customized jerseys persuaded the players to commit.

The rededication ceremony included District 22 Knothole inducting members into the Hall of Fame: Red Bartlett, Oscar Bartel, Walter Wiefering and Roy Daines. These four men were instrumental in making Northern Kentucky Knothole what it is today.

The rededication marks a new beginning in what you can expect from the City of Newport and its Parks and Recreation staff. City Officials are committed to improving the quality of life in Newport, which includes first class parks and recreation facilities and programs.

Newport Officials Offer Citizens 24/7 Access

Newport Officials have implemented a new streaming media management and distribution solution that reduces costs across all City departments, while increasing community and employee access to Board of Commissioners' meetings and City information.

Using an enterprise solution from Granicus, the leading provider of streaming media solutions to local government, the City of Newport can now publish indexed video of Commission meetings and other public information pieces for community members and City employees over the Internet. This new implementation follows the City's commitment to provide a comprehensive and open government policy with direct access to City information.

This solution now allows the City to provide the audio and video of each meeting live on the Web. This helps the City in staying with its cutting-edge philosophy by automatically archiving the meetings and allowing the public to search the archives by keyword. This will allow the meetings to be available 24 hours a day, 7 days a week for all citizens in and out of Newport.

The City believes this is a great example of how technology should be used to increase civic participation and make local government more effective for its citizens.

The City of Newport's video website is located at www.cityofnewportky.org choose Commission Menu to Commission

OnDemand which now has fully integrated video and document files for each live or future archived meeting. Each video is indexed, which allows browsers to jump to the relevant portion of the meeting quickly and have all pertaining documents at their fingertips on demand.

In addition, the City is also increasing public access to meetings on our Cable channel. All meetings will be re-broadcasted three times a week. These times are; Wednesday at 7:00 pm, Fridays at 7:00 pm or Sundays at 2:00 pm.

Newport has also taken this solution to the highest level by providing all ordinances, orders, resolutions, and minutes of the Board of Commissioners from 1914-2004 online via our Research Center. The City has selected Laserfiche Document Imaging to scan, store and retrieve books of legislative records.

Citizens and Cities Working Together

This solution has eliminated several manual steps such as copying and indexing the orders, resolutions, and ordinances by over 60% for City staff. Its ability to retrieve,

print and view each item via the Internet is a tremendous benefit for the citizens of Newport by putting public records in the hands of the public.

This function is available via our website at www.cityofnewportky.org visit the E-Government Menu and select Research Center.

Trick or Treat - October 31, 2004

Trick or Treat! It's time for the children of Newport to dress up like their favorite monster, goblin or super hero. Although Trick or Treat is a fun time for children and parents alike, there are seven safety tips that the City would like everyone to remember:

- Parents should inspect all treats before children eat them.
- Mask holes should be large enough to see through easily.
- Use a flashlight to let drivers see you and to see where you are going.
- To avoid tripping, don't wear costumes that are too loose or too long.

- Reflective bright colors should be used so drivers can see you after dark.
 - Walk on sidewalks, or as near to the curb as possible if there are no sidewalks.
 - Observe safety rules when crossing or walking on streets, and stay clear of traffic.

Trick or Treat Night will be held on Sunday, October 31 from 6:00 – 8:00 p.m. The Police Department will have extra patrols during that time.

If you find any candy that looks suspicious, please notify the Police Department immediately. The City of Newport hopes that everyone has a safe and Happy Halloween.

Fall Maintenance

Tree Trimming and Crack Sealing

The City of Newport is pleased to announce that beginning October 1, 2004, the Public Works Division will begin the Annual Tree Trimming and Street Crack Sealing Program.

A notice will be delivered to homes in affected areas at least two days in advance. Both sides of the street will receive the notice. This will create a minor inconvenience to residents by requiring both sides of the street to be cleared of vehicles.

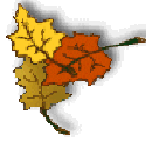

This is necessary to allow for the crack sealing to be done in a continuous manner.

Leaf Pick-Up

From November 1 - November 26, 2004.

Residents may rake their leaves into the curb area for pick up. If residents have any questions, please call the Public Works Division at (859) 292-3670.

Police Department Completes CALEA

The Newport Police Department completed the first phase of the reaccreditation process August 7-11, 2004. Three assessors from CALEA arrived in town on Saturday the 7th. The Assessors begin their inspection of the Newport Police Department on August 8th. This inspection included observing a static display of department equipment and officer uniforms. The assessors also reviewed files for the 373 standards that the department had to comply with.

On Monday the assessors continued file review and received three phone calls about the agency with nothing but positive comments. Also on Monday evening during a public information session for citizens to talk about the agency, eight citizens spoke with nothing but positive remarks about how the agency operates. CALEA Team Leader Thomas Clark advised Chief Thomas Fromme during the exit interview, "the agency had performed exceptionally,

there were only 12 files sent back for additional information and that this was a remarkable accomplishment. Most agencies average much higher." He also stated that he would be recommending the Newport Police Department for reaccreditation to the CALEA Commission.

Representatives from the Newport Police Department will be going to Austin, TX in December for the last phase of the reaccreditation process. The representatives will be interviewed by a panel of CALEA Commissioners in regards to the On-site Inspection report and the panel will make the final determination as to the agency receiving reaccreditation.

The Police Department first became accredited in 1998 and reaccredited in 2001 and is one of only three departments in Kentucky who are both nationally and state accredited.

National Night Out Big Success

On August 3, 2004 the City participated in the 21st Annual National Night Out Celebration. This is a national event to bring communities and law enforcement together to take a stand against crime and drugs in the community. This event was held at 4th and Columbia and was attended by approximately 600 citizens. Mayor Thomas L. Guidugli began the festivities by proclaiming this day as "National Night Out 2004" in the City of Newport.

All those in attendance enjoyed a night of fun activities and free food.

The activities included demonstrations by the Newport Police Department's SWAT team, K-9 Unit, and Bicycle Team. Team Huff Drag Racing Team and the Newport Fire Department were also participants. There were clowns, face painting, caricature artist, pony rides, and other festivities for those in attendance. Participants also had a chance to dunk the Mayor, City Manager, and several police officers during the evening. The event concluded with a parade to the World Peace Bell where a short ceremony was conducted and singing by the Rev. Rich Livingood.

Monsters on Monmouth

Dress up in your favorite costume and parade down Monmouth Street in the annual Monsters on Monmouth parade Sunday, October 24, 2004. Parade participants will assemble at A.D. Owens Elementary School at 12:00 p.m. The parade, which starts at 1:00 p.m., will travel down Monmouth Street to 4th Street, turn right on Columbia and head to the Riverfront.

Parade participants can go through the USS Nightmare for free. Snacks and punch will also be available on the plaza between the Aquarium and Newport on the Levee.

**For more information call
the Main Street Coordinator at (859) 292-3666.**

Mark Your Calendar!

Information pertaining to Board of Commissioners and other City Board meeting schedules and events may also be viewed on the City's Cable Channel 16 and City's web site www.cityofnewportky.org.

September 24 - October 31 BB Riverboat USS Nightmare
USS Nightmare 2004 will be haunting the Newport waterfront for a haunting season that promises to scare and thrill all. For more information, please call (859) 261-8500 or visit www.usnightmare.com.

October 1-31 Registration for Adult Leagues

Register a men's basketball or co-ed volleyball team for one of our winter adult athletic leagues. Each league will accept 8 teams and run 7 weeks, followed by a single elimination tournament. Trophies and tee-shirts awarded. Leagues begin the second week of January, 2005. Registration fee: \$225 per team plus referee fees. Registration required by calling (859) 292-3686.

October 1-3 Oktoberfest

The 1st Annual Newport Oktoberfest will be held on Riverboat Row. Times are October 1 from 5:00 p.m. - Midnight, October 2 from Noon - Midnight, and October 3 from Noon - 9:00 p.m.

October 14 NCAC Candidates Night

The Newport School Board candidates will be available for Candidates Night at the Campbell County Library Newport Branch from 6:30 p.m. - 8:30 p.m. The moderator will be State Representative Jon Draud.

October 22, 23, 29, & 30 Halloween Fearfest

Dare to enter the Creepy Trail deep in the Wicked Woods on Haunted Hill at Veterans Park and Bartlett Field where the soil gets soft and the trees come alive . . . Can you escape the screams? Also, enjoy our Pumpkin Patch, bonfire and refreshments. New this year is our two story Haunted House. You can get in, but can you get out? For more information, please call (859) 292-3686.

October 24, 2003 Monsters on Monmouth Parade

Children of all ages dress in their favorite Halloween costume for the annual Monsters on Monmouth Parade down Monmouth Street. There will be festivities at Newport on the Levee immediately following the parade. For specific times call (859) 292-3666.

October 28 NCAC Candidates Night

The Newport Mayor and City Commissioner candidates will be available for Candidates Night at the Campbell County Library Newport Branch from 7:00 p.m. - 9:00 p.m. The moderator will be Pat Crowley, Kentucky Enquirer.

October 31, 2003 Trick or Treat

Trick or Treat from 6:00—8:00 p.m. It's time for the children of Newport to dress up like their favorite monster, goblin or super hero. Have a safe and fun Halloween.
